THE END
of the boring wall

Introducing
NATURAL WALLCOVERINGS
that are out-of-the ordinary

For more than a decade, we've been handweaving sustainable fibers into award-winning window covering design. It was a natural evolution for us to take our signature designs to the wall. We are proud to introduce our new line of nearly 50 unique natural wallcoverings. Visit hartmannforbes.com to learn more.

HARTMANN & FORBES®
Extraordinary Window and Wall Coverings
Handcrafted of Sustainable Natural Materials
