Above: The daughter's bedroom has a whimsical air thanks to a purple patterned wallpaper from Supply Sources, which she is paired up by the Aster Fabrica velvet on the beds. A connecting bar console (courtesy of the architect's firm) for storage.

Opposite: The adjacent play area features an inviting reading nook paired Benjamin Moore's Pacific Blue along with a playful Ben and Jerry's and Miller & Rose chairs. Keeping things cozy is a hand-knotted mohair rug from Babou.
